

***Failed a high school course? Need more credits for high school graduation?
Want to take a class that your school doesn't offer?***

Listed below are some independent on-line high school centers that offer courses which may meet your needs. They are accredited institutions and Denver Lutheran will accept completed course work toward graduation credit.

It is recommended that you check with your school counselor before enrolling in an Independent Study course to be sure that it fulfills your graduation requirement.

BYU Independent Study

(offers over 100 different high school courses as well as some university level courses)
