

Colorado Lutheran High School Association Silent and Live Benefit Auction

Please let this letter serve as an introduction and certification regarding our benefit auction to be held November 20, 2010 at Lutheran High School Parker .

We are seeking a wide variety of new merchandise or services that can be sold in the silent or live portion of our auction. We are asking individuals, businesses, and companies to donate the use of vacation homes or condos, new merchandise, antiques, services, or cash to our benefit auction.

The Colorado Lutheran High School Association, a tax-exempt non-profit institution in the State of Colorado, owns and operates **Lutheran High Schools with campuses located in Parker and Denver, Colorado.** Denver Lutheran High School's historic Denver campus was founded in 1955, and the Parker Campus was founded in 2000. One of the primary goals of these schools is to educate the youth of today to be responsible, Christian citizens of the future.

Our benefit auction goal is to raise \$60,000. Proceeds from the auction will provide tuition assistance to deserving students, and will provide us with the resources necessary to engage and enhance the quality of the education we offer to all of our students.

Your gift is tax deductible and a receipt will be provided. As a donor, you will also determine the gift's fair market value. Pick-up can be arranged, if necessary.

Thank you for your support and for your investment in our citizens of the future. Your donation is helping to continue a high-quality, Christian education for the communities of Denver and Parker.

Thank you for your consideration,

Kristin Gehrke
