BUILDING A FIRM FOUNDATION ON THE ROCK, JESUS CHRIST

The Memorial Bricks Project is an extension of ministry at Denver Lutheran High School where individuals, groups, families, and companies alike can show their support for Christian education. These bricks are purchased, personalized, and then added to the memorial wall located in the middle wing of DLHS.

Following is a sample showing how to fill out the form. If more than one 4x8 or 8x8 brick is desired, simply make copies of the form, fill it out, and return with your donation to:
