

Lutheran College Fair

You're Invited!

On behalf of the Lutheran colleges and universities across the United States and Canada, we're pleased to announce an upcoming college event in your area.

We recognize that these are difficult economic times for many families. The Lutheran colleges and universities remain committed to enrolling students regardless of their families' financial circumstances and we encourage you to ask our admissions representatives about scholarships and financial aid.

Our college fairs and workshops are designed to give you insight into the unique aspects of Lutheran higher education and a chance to meet representatives from some of our member colleges. There is no charge for any of our events and no need to pre-register. **In addition, students who attend our events will receive four application fee waivers for use at our Lutheran colleges and universities.**
