

February 2010

Dear DLHS Parents/Guardians,

Included in this folder are re-enrollment forms and information for the 2010-2011 school year. Please focus your attention on a few changes:

1. Tuition has gone up only 3% next year.
2. The materials fee is due in June and monthly tuition payments are now spread over 11 months (instead of 10 months) starting in July.
3. The majority of tuition assistance awarded through the FAIR process will be given out to those families who meet the **March 15 deadline** to apply with FAIR. All families that received assistance through the FAIR process last year will need to reapply this year.
4. Some small expectations/requirements have been attached to the awarding of significant financial assistance. Please see the FAIR information sheet for more details.
5. The amount of money to be credited toward tuition through the referral program has increased! Please see the tuition referral information letter for more details.

DLHS continues to try and exhaust all avenues to provide both funded and unfunded tuition assistance to families who believe in the value of a Christian education. One key to successful budgeting for a school year is to start the re-enrollment process early and finish it in a timely fashion.

Thank you for taking the time to fill out the paperwork and return it to DLHS quickly. I appreciate it. Please contact me with any questions.

God's Blessings,
